

Online Course Evaluation Rubric

The following rubric is a tool to assist instructors in the design and development of their online courses. The six (6) categories address different elements essential to the development of an online course: Learner Support and Resources, Online Organization and Design, Instructional Design and Delivery, Assessment and Evaluation of Student Learning, Innovative Teaching with Technology, and Faculty Use of Student Feedback. This rubric was adopted from CSU's work on high quality online courses (<http://www.csuchico.edu/celt/roi/>). Faculty fellows and staff of Spartans Online will assist instructors in developing and/or refining their courses to meet the effective and exemplary standards:
